

ICHEP2018 SEOUL

Wednesday 04 July 2018 - Wednesday 11 July 2018

COEX, SEOUL

Scientific Programme

Higgs Physics

Neutrino Physics

Beyond the Standard Model

Top Quark and Electroweak Physics

Quark and Lepton Flavor Physics

Strong Interactions and Hadron Physics

Heavy Ions

Astro-particle Physics and Cosmology

Dark Matter Detection

Formal Theory Development

**Accelerator: Physics, Performance, and R&D for
Future Facilities**

Detector: R&D for Present and Future Facilities

Computing and Data Handling

Education and Outreach

Diversity and Inclusion

Posters

Technology Applications and Industrial Opportunities
