

# **ICHEP2018 SEOUL**

**Wednesday 4 July 2018 - Wednesday 11 July 2018**

**COEX, SEOUL**

## **Scientific Programme**

**Higgs Physics**

**Neutrino Physics**

**Beyond the Standard Model**

**Top Quark and Electroweak Physics**

**Quark and Lepton Flavor Physics**

**Strong Interactions and Hadron Physics**

**Heavy Ions**

**Astro-particle Physics and Cosmology**

**Dark Matter Detection**

**Formal Theory Development**

**Accelerator: Physics, Performance, and R&D for  
Future Facilities**

## **Detector: R&D for Present and Future Facilities**

## **Computing and Data Handling**

## **Education and Outreach**

## **Diversity and Inclusion**

## **Posters**

## **Technology Applications and Industrial Opportunities**
