Programme Website

The screenshot shows the Indico website for the UK Teacher Programme. At the top, there is a blue header with the UK flag and the text "UK Teacher Programme". Below the header, the event dates "11-15 December 2018" and the location "CERN" are displayed, along with the time zone "Europe/Zurich timezone" and a search bar. A navigation menu on the left includes "Overview", "Timetable", and "Administrative Support:". The main content area provides a description of the programme, contact information for the administrative support team (Maureen Prola-Tessaur), the programme manager (Jeff Wiener), and emergency contact details for the CERN fire brigade. It also lists the start and end times (11 Dec 2018, 17:00 to 15 Dec 2018, 12:00) and the location (CERN). A note indicates that there are no materials yet. At the bottom, an information icon points to a message stating that scientific programme and agenda details will be available under the Timetable, and that arrival information and participation confirmation will be sent via email. The website is looking forward to welcoming participants in Geneva, Switzerland.
