

7th Edition of the Large Hadron Collider Physics Conference

Contribution ID: 297

Type: **not specified**

Panel Discussion

Tuesday 21 May 2019 15:42 (18 minutes)

The proposed topics for discussion are:

- Reaching out to society: how to maintain/increase the impact of the LHC?
- LHC Open Data for research: potential, perspectives and challenges.

Presenters: NELLIST, Clara (Georg August Universitaet Goettingen (DE)); CARRERA JARRIN, Edgar Fernando (Universidad San Francisco de Quito (EC)); DUARTE, Javier Mauricio (Fermi National Accelerator Lab. (US)); POTAMIANOS, Karolos (Deutsches Elektronen-Synchrotron (DE)); MEHLHASE, Sascha (Ludwig Maximilians Universitat (DE)); MCCAULEY, Thomas (University of Notre Dame (US))

Session Classification: Parallel Outreach
