

# **Inha-Grenoble “Heavy-flavour tagged jet analysis” workshop**

## **Report of Contributions**

Contribution ID: 1

Type: **not specified**

# Heavy Flavor Baryon Production Measurement with ALICE experiment at the LHC

*Tuesday 19 December 2017 10:00 (2 hours)*

**Presenter:** Dr NORMAN, Jaime

Contribution ID: 2

Type: **not specified**

## **Discussion: What could be the good baryon observable?**

*Tuesday 19 December 2017 13:00 (4 hours)*

Hands on workshop

Contribution ID: 3

Type: **not specified**

## **Introduction about track counting method**

*Monday 18 December 2017 10:00 (2 hours)*

**Presenter:** KIM, Minjung

Contribution ID: 4

Type: **not specified**

## **Overview of the status of b-tagging analysis in p-Pb collisions**

*Monday 18 December 2017 13:00 (2 hours)*

**Presenter:** HASSAN, Hadi

Contribution ID: 5

Type: **not specified**

## **Wrap up session and practical discussion**

*Wednesday 20 December 2017 13:00 (3 hours)*

Contribution ID: 6

Type: **not specified**

## Run3 perspective

*Wednesday 20 December 2017 10:00 (2 hours)*
