

Contribution ID: 159

Type: **Parallel Session talk**

Semileptonic and leptonic charm decays at BESIII

Thursday, August 8, 2019 10:00 AM (12 minutes)

Summary

Primary authors: MA, Hailong; KE, Liu (Central China Normal University)

Presenter: KE, Liu (Central China Normal University)

Session Classification: Flavour Physics (Parallel)

Track Classification: Quark/Lepton Flavour Physics
