## **Vertex Reconstruction and Deep Learning Applications in JUNO**

*Thursday, August 8, 2019 10:40 AM (20 minutes)*

### **Summary**

In this talk, I will present two algorithms for the vertex reconstruction in JUNO: Maximum Likelihood Method and Deep Learning Method.

**Primary author:** Dr ZIYUAN, LI (SUN YAT-SEN University)

**Presenter:** Dr ZIYUAN, LI (SUN YAT-SEN University)
