

KT TRAINING FOR RADSAGA ESRs

(based on 'FINDING HAPPINESS IN PATENT INFORMATION DATABASES' course)

Date: 20TH MARCH 2018

Time: 9:00 – 17:00

Location: BE Auditorium

Preparation:

Each ESR to come up with 2 - 3 topics in which they are interested. This has to be as specific as possible, preferably directly linked to the topic of their research project.

Each attendee is requested to come to the course with his/her own laptop with internet access enabled. This is essential since part of the training will be through hands-on exercises.
