

RECFA Meeting Vienna, 6th April 2018

“Future Accelerators”

-for experimental and theoretical particle physics...

*the Federal Ministry of Education, Science and Research-**BMBWF**,*

is supporting/funding:

*... the Memberships to International and
European Research Infrastructures (CERN, ILL, ESRF...)*

...the Austrian Universities

...the Austrian Academy of Sciences and its institutes

...national research Infrastructures (like MedAustron, Atominstitut etc...)

*...the two main funding Agencies: **FWF** (*Austrian Science Fund*) and
FFG (Austrian Research Promotion Agency)*

...supporting particle physics/high energy physics since many years by funding basic research and research infrastructures like:

We will certainly carry on.....

Visit of Cern, 28.2.2018

..with an eye on allocation of resources...
