

Introduction

Alan Price

April 12, 2018
17th MCnet Meeting

- BSc in Theoretical Physics from University College Dublin (UCD)
- 3 months working with the biophysics group
- Final year thesis: "Calculating Angular Decay Paths" supervised by Prof Ronan McNulty

- MSc in Theoretical Physics from the Higgs Centre
- MSc Thesis: "Fitting Hadron Masses in Lattice QCD" supervised by Dr Roger Horsley

- MCnet ESR at IPPP, Durham
- Supervised by Prof Frank Krauss
- Implementing ISR into SHERPA via the YFS algorithm
