

Oxford Status

- Alice is limited to 600 jobs at Oxford
- Manually extend the limit when there is no jobs from other VOs
- No storage at Oxford, no plan either
- Jobs run with almost 100% efficiency
- Alice mailing list is very responsive; Thanks Maarten, Latchezar and others

ARC CE update

VO Box Reboot

Not sure about this one !

- **Centos7 migration**
 - CS7 ARC CE (t2arc00.physics.ox.ac.uk) is production ready
 - Currently 200 jobs slots but will add more if remain full
 - Is ALICE ready to move ?
- **IPv6**
 - Running IPv6 perfSONAR boxes
 - Waiting for University IT Service to provide IPv6 DNS and DHCP
- **VO-BOX**
 - Can move to Centos7 if required
