

**CERN-ICEC-STFC Burying the Complexity: Re-Engineering for the Next
Generation of Medical Linear Accelerators for Use in Challenging
Environments**

Contribution ID: 2

Type: **not specified**

**Overview of “Novel Linac” Project and How it Fits
within the Complex System of Global Cancer Care**

Thursday 22 March 2018 09:05 (25 minutes)

Presenters: DOSANJH, Manjit (CERN); COLEMAN, C Norman

Session Classification: Session 1
