

**CERN-ICEC-STFC Burying the Complexity: Re-Engineering for the Next  
Generation of Medical Linear Accelerators for Use in Challenging  
Environments**

Contribution ID: 19

Type: **not specified**

**Robust Permanent Magnet Beam Delivery Systems  
for Medical Radiotherapy Linacs**

*Thursday 22 March 2018 13:30 (1 hour)*

**Presenters:** SHEEHY, Suzie (University of Oxford and STFC/ASTeC/RAL); KONOPLEV, Ivan (University of Oxford)

**Session Classification:** Session 3
