

CERN-ICEC-STFC Burying the Complexity: Re-Engineering for the Next
Generation of Medical Linear Accelerators for Use in Challenging
Environments

Contribution ID: 19

Type: **not specified**

**Robust Permanent Magnet Beam Delivery Systems
for Medical Radiotherapy Linacs**

Thursday 22 March 2018 13:30 (1 hour)

Presenters: SHEEHY, Suzie (University of Oxford and STFC/ASTeC/RAL); KONOPLEV, Ivan (University of Oxford)

Session Classification: Session 3
