

**CERN-ICEC-STFC Burying the Complexity: Re-Engineering for the Next
Generation of Medical Linear Accelerators for Use in Challenging
Environments**

Contribution ID: 20

Type: **not specified**

**RF Power Systems and Optimized RF Structures for
Electron Beam Acceleration**

Thursday 22 March 2018 14:30 (1 hour)

Presenters: KONOPLEV, Ivan (University of Oxford); SHEEHY, Suzie (University of Oxford and STFC/ASTeC/RAL)

Session Classification: Session 4
