

CERN-ICEC-STFC Burying the Complexity: Re-Engineering for the Next  
Generation of Medical Linear Accelerators for Use in Challenging  
Environments

Contribution ID: 21

Type: **not specified**

**Linear Accelerator Simulations for Stable and  
Sustainable Operation of Developing Country  
Radiotherapy Linear Accelerators**

*Thursday 22 March 2018 16:00 (1h 30m)*

**Presenters:** BOOGERT, Stewart Takashi (Royal Holloway, University of London); CARLONE, Marco

**Session Classification:** Session 5
