

**CERN-ICEC-STFC Burying the Complexity: Re-Engineering for the Next
Generation of Medical Linear Accelerators for Use in Challenging
Environments**

Contribution ID: 24

Type: **not specified**

**Re-engineering for the Next Generation of Medical
Linear Accelerators (Co-moderators: Paul Collier,
David Jaffray, Ceferino Obcemea and Andy Wolski)**

Friday 23 March 2018 13:00 (2h 30m)

Presenters: WOLSKI, Andy; OBCEMEA, Ceferino; JAFFRAY, David; COLLIER, Paul (CERN)

Session Classification: Session 8
