

Session Program

2 February 2018

1st CERN Baltic Group meeting

Discussion

Other Institutes
Riga, RTU Faculty of Power and Electrical Engineering

Friday 2 February

12:55

Discussion: International inter-disciplinary particle physics and accelerators technology study programme - collaboration of Estonian, Latvian and Lithuanian Universities and scientific institutions with the support of CERN visiting professors

Session | **Location:** Other Institutes, Riga, RTU Faculty of Power and Electrical Engineering

13:25

14:35

Discussion: CMS experiment

Session | **Location:** Other Institutes, Riga, RTU Faculty of Power and Electrical Engineering

15:05

15:05

Discussion: Enhancing collaboration with CERN - coordination possibilities

Session | **Location:** Other Institutes, Riga, RTU Faculty of Power and Electrical Engineering

15:35
