Technical Student Introduction

Akrivi Liakopoulou

24 May 2018

About me

- 20 years old
- From Athens, Greece

- Technical Student Contract
  - Start date: May 2018
  - Duration: 11 months

Education

- **University of Twente**
  - Bachelor's programme Electrical Engineering (since 2015)
  - Honours programme in Mathematics (since 2017)

Experience

- **Green Team Twente**
  - Fuel-efficient hydrogen car
  - PCB Design

Work at Cern

- **STEAM Collaboration**
  - Simulation of Transient effects
  - Workflows for simulation of fault scenarios
    - Spice Circuit Simulations
    - FEM Simulations in COMSOL
    - Common Interface to validate models
