**Abstract:** These instructions concern the abstract. The Arial font is preferred. The title must be given in bold, 16 pt characters. The title must appear centred on the page. The authors (first name and name) are given in sequence, italic 12 pt characters. In case of more than one affiliation, these are distinguished with a numbered superscript followed by a bracket. The author presenting the contribution should be the first author in the list. The affiliations are given beside the corresponding number followed by a bracket. Do not use superscripts here. The name of the institution and a postal address should be provided. A 12 pt regular font must be used. For the author that presents the contribution, the email address may be given on a separate line. The abstract should not exceed one A4 page.
