

Contribution ID: 28

Type: not specified

**Preliminary results on the  $^{233}\text{U}$  neutron-induced  
capture cross section measured at the n\_TOF facility  
at CERN with the fission tagging technique**

*Wednesday 10 October 2018 09:10 (30 minutes)*

**Presenter:** BACAK, Michael (CERN - TU Wien)

**Session Classification:** Microscopic and integral nuclear data measurements
