

Reinterpreting particle-level measurements to constrain BSM physics

Monday 14 May 2018 15:30 (20 minutes)

Latest results using Contur (Rivet) will be presented, along with an update of the project.

Presentation

Talk given in person

Authors: BUTTERWORTH, Jonathan (University College London (UK)); YALLUP, David (University College London)

Presenter: BUTTERWORTH, Jonathan (University College London (UK))

Session Classification: Particle-level measurements
