

Contribution ID: 100

Type: **Experimental**

**Study of azimuthal anisotropy for charged hadrons  
at high  $p_T$  in  $\sqrt{s_{NN}} = 200$  GeV Au + Au collisions at RHIC-PHENIX**

*Saturday, 8 September 2018 16:55 (20 minutes)*

**Presenter:** Ms NISHITANI, Risa (Nara Women's University)

**Session Classification:** Session
