

Hello FPGA Update

22/05/18

Sioni Summers, Lukas Arnold, Shahzad Muzaffar

Previous Problem

- New to Intel FPGA accelerators
- New to OpenCL
- → Try the Intel demos
- Shahzad added Intel/Altera compile-flow to SCRAM

```
Kernel initialization is complete.  
Launching the kernel...  
  
Thread #2: Hello from Altera's OpenCL Compiler!  
  
Kernel execution is complete.
```

- Kernel emulation:
HW compile going for a few hours...

Next Problem

- New to OpenCL
- → Make some simple kernels
 - 'Pass through'
 - Simple arithmetic
