

Global Cosmics Steering Committee Agenda
April 19, 2018
Pisa, Italy

Welcome and Introductions

5 min. Report 2017 International Cosmic Day (ICD)

Speaker: Carolin Schwerdt

8 min. Report 2018 International Muon Week (IMW) and 2017 Solar Eclipse Project

Speaker: Mark Adams

10 min. Discussion: Including other projects in ICD and IMW (e.g. rooftop shower arrays)

5 min. Status Update on the new CERN-based Global Cosmics website

Speaker: Steve Goldfarb

Discussion: Any changes for <https://icd.desy.de/e49245?>

Any changes in requirements document?

Project updates:

5 min. CREDO

Speaker: Krzysztof Wozniak

5 min. EEE

Speaker: Marcello Abbrescia

5 min. Showers of Knowledge

Speaker: Victoria Tokareva

3 min. Netzwerk Teilchenwelt and Cosmic@Web

Speaker: Carolin Schwerdt

Discussion: What's Next?

- Meetings via video in between IPPOG meetings? Suggest 2, so we talk once per quarter. First one could be associated with ICD announcement.
- Other ideas for global data-take and report.
