

# Rencontre de Physique des Particules 2018 Paris, 11-13 April 2018

## Friday, April 13, 2018

### Théorie - Charpak Lecture Hall (9:00 AM - 10:20 AM)

time	[id] title	presenter
9:00 AM	[M4] Reconciling B-decay anomalies with neutrino masses, dark matter and flavour violation	HATI, Chandan
9:20 AM	[M5] A viable scenario to accommodate the B-physics anomalies	SUMENSARI, Olcyr
9:40 AM	[M6] What can precision observables tell about the trilinear Higgs self coupling?	FEDELE, Marco
10:00 AM	[M7] Two-loop QCD corrections to the lightest Higgs mass in the MSSM	PASSEHR, Sebastian
