

## **Session Program**

**11-13 Apr 2018**

# **Rencontre de Physique des Particules 2018 Paris, 11-13 April 2018**

## ***Théorie***

LPNHE, Charpak Lecture Hall  
Sorbonne Université, Campus Jussieu, Amphi Charpak

# Thursday 12 April

11:00

## **Théorie**

**Session** | **Location:** LPNHE, Charpak Lecture Hall, Sorbonne Université, Campus Jussieu, Amphi Charpak

11:00–11:30

**Evaluation of the muon  $g-2$  in the standard model: a status report**

**Speaker**

Marc KNECHT

11:30–12:00

**SM extensions valid up to infinite energy**

**Speaker**

Alessandro Strumia

12:00–12:30

**Recent advances on neutrino flavor evolution in dense media and kilonova observation**

**Speaker**

Cristina VOLPE

12:30
