

Session Program

28 March 2018

PDF4LHC meeting

Special Electroweak session

CERN, 503/1-001 - Council Chamber

Wednesday 28 March

17:10

Special Electroweak session: Special ElectroWeak Session

Session | Location: CERN, 503/1-001 - Council Chamber

17:10-17:30

impact of PDFs and their uncertainties on the measurement of s2w in CMS

Speaker

Arie Bodek

17:30-17:50

mpact of PDFs and their uncertainties on the measurement of s2w and of cross sections in ATLAS

Speaker

Aaron James Armbruster

17:50-18:10

Discussion

18:10
