

HSF Packaging Group: Introduction

Graeme Stewart and Ben Morgan

2018-02-21

Today's Meeting

1. Introduction (sparse!)
2. Spack Open Points
 - Pick up from Javier's FCC talk last meeting
 - Identify concrete problems with our use cases for Spack
 - Digestible tasks that we can work on in the group
3. AliBuild Experiences
 - Important that we consider the impact on the whole user community, not just librarians

Next meeting will be 7 March - as ever contributions welcome!
