> Three further workshops / training events foreseen in next future

- WG/MC meeting (end-of-year)
- Annual workshop (+small tutorial hands-on-training)
- 3rd year trainin school (Maratea reloaded)

> Still looking for interested people to host the events

- Some early applicants / ideas collected in the next pages

WG/MC meeting (end of the year?)

> Should include small training event

- Tutorials, coding, ...
- (could also contain hands-on hackathon for specific projects)

> CERN

- As last year (with all known advantages etc)

> Dresden

- tbc

> Munich

- Would be mid-/end-November (otherwise Christmas markets)
- Could possibly meet target of 120 – 150 EUR per day (would need group booking by university)
- Rooms no problem (either in inner city / or 15 min with s-Bahn outside)
- Should decide fairly soon → reservations!

> Ljubljana

- Details to be collected

Annual Meeting: Istanbul - Tuzla

- (would also include hands-on small training event
- Piri Reis University in Tuzla which is small town in Istanbul near seaside
- Auditorium will be book for the meeting -IT support for vidyo connection in the auditorium
- Lots of Hotels nearby the university
- Lots of nice restaurant close to the university
- Close to Sabiha Gökçen Airport – served by Pegasus Airlines/Easyjet/Turkish airlines and other airlines
- Support from Çukurova University - Aysel Kayış Topaksu

- Other option is Atatürk airport – few flights per day from all over the world
- Airport with convenient bus and cheap taxi connection into Tuzla
- Easy connection to Kadıköy (center of Anatolian part) and Taksim- historical island (Blue Mosque, Hagia Sophia and Topkapı Palace) by bus, by metro or by ferry
- Also close to Princess island and other islands
- Istanbul is the biggest-most beautiful city in Turkey, good food, many historical places, Bosphorus, ferries etc..

Third school (spring 2020)

> Maratea reloaded

- Either advanced school – building up on topics from first school
- Maratea costs: 60E/night/person in double room accommodation, full board service, for the students, and 100E/night/person in single room full board for teachers.
- **Could extend by 1 week to include tutorials / coding**

> DESY (Hamburg)

- 29th March-11th April or 3th May-16th May could work – block booking and rooms are available
- **39/per double room / per day**
- Canteen during the day – not quite sure about dinner
- Further info on budget → possible in next 1-2 weeks
- (Could be possible to get some further financial support → again needs to be figured out still)
