Final Words

SLHC-PP Annual Meeting

5/02/2010

CIEMAT (Madrid)

R. Garoby

Meeting outcome (1/2)

<http://cern.ch/SLHC-PP>

- Smooth progress in all technical WPs
- Solutions are proposed in cases where the initial goals were excessively optimistic (WP 6)
- In the administrative/management WPs:
 - for detectors, excellent match of WP3 and 4 with overall activity within ATLAS and CMS upgrade programmes
 - for the accelerators, very valuable additions/extensions are planned for WP 2

Meeting outcome (2/2)

<http://cern.ch/SLHC-PP>

- Especially important and satisfying is the constructive spirit with which the present “crisis” is being faced...

Thank you !

<http://cern.ch/SLHC-PP>

- To our hosts (Laura Sanchez, Fernando Toral...): Indico web site, very comfortable auditorium, well-heated meeting rooms, nice food & coffee...
- To the participants, speakers and Work Package leaders for the quality of the talks and of the work accomplished.

Thank you !

<http://cern.ch/SLHC-PP>

- To “invisible” key persons which have made this event possible: Mar Capeans Garrido, Kate Ross, Cecile Noels, Michal Ropka, ...
- And obviously to the founding parents of the SLHC-PP who imagined it and managed it successfully until recently: Lucie Linssen, Lyn Evans, Gijs De Rijk
