

## **Tuesday 3 July**

11:00

## Jets and hadrons

**Session** | **Location:** Etretat, Dormy House, Route du Havre, 76790 Étretat

11:00-11:20 Vacuum-like jet fragmentation in a dense QCD medium

Speaker

Paul Caucal

11:20-11:40

Isolated photon measurement in pp and p-Pb collisions at LHC with the ALICE **Experiment** 

Speaker

Erwann Masson

11:40-12:00

Probing jet quenching and dijet acoplanarity with semi-inclusive hadron+jet measurements

Speaker

Jaime Norman

12:30
