

Welcome to the Nth PBC Workshop

Joerg Jaeckel, Mike Lamont and Claude Vallee

Welcome to the Nth PBC Workshop

Joerg Jaeckel, Mike Lamont and Claude Vallee

All Working Groups have
been quite busy and hard @ work

→ Lots of progress to be discussed
in the next two days 😊

WGs + Experiments
hard @ work

Document writing

More info in Claude's talk

Experiments being
Realized ;-)

WORKING GROUP MEETING SCHEDULE

Developments...

- All WGs have made significant progress
- Document preparation well underway
Benchmark models collected, sensitivities are being calculated etc... Thanks!
- New Experiments have entered the discussion

➔ Talks Today + Tomorrow 😊
