

# Medical Imaging in Clinical Trials with **WIDEN**

Piergiorgio Cerello, PhD  
[cerello@dixitsolutions.com](mailto:cerello@dixitsolutions.com)

Medical Imaging is more and more often part of the Protocol  
- many new opportunities... and several related issues

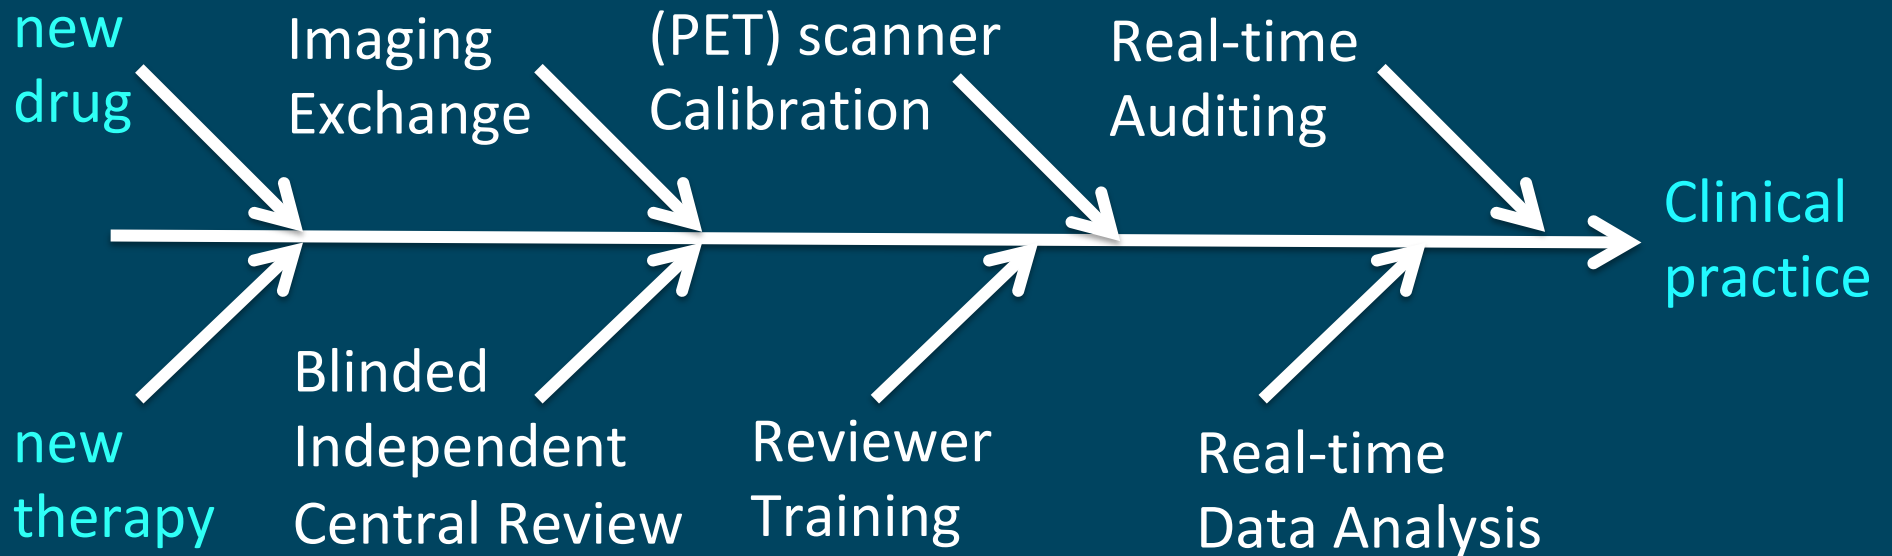

# Web-based Image and Diagnosis Exchange Network

Level 1

Workflow Management

Level 2

Quality Assurance

Level 1: Speed - Time / Cost saving

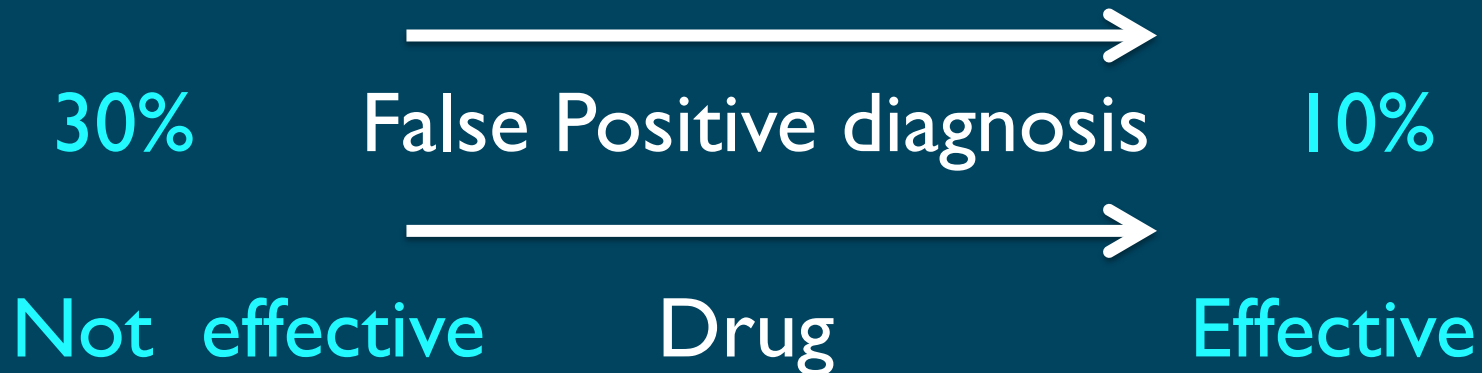

Level 2: Reliability - Improved Process Control

# WIDEN Results

## International Validation Study

### WIDEN Quality Assurance

## ○ We aim at

- ✓ becoming the market leader in PET-based Clinical Trials
- ✓ opening a new market with multi-modality imaging in Clinical Trials
