ACAT 2019 ...au revoir...

ACAT 2019

Federico Carminati

March 15th, 2019

Before I forget

An even bigger thanks to CERN openlab & Alberto Di Meglio
Maria Girone, Andrew Purcell, Fons Rademakers,
Sofia Vallecorsa

And above and beyond

Kristina Gunne

All this would not have happened without the generosity of our
patron

Eddy Offermann

... and again

Thanks to all Track Conveners, Session Chairs, Diversity Committee, Local Organizing Committee, Scientific Program Committee

...and of course(!)

The International Advisory Committee

and

The competent and friendly staff of the Hotel and Conference Center

... and I am sure I have forgotten someone!

Bus to CERN

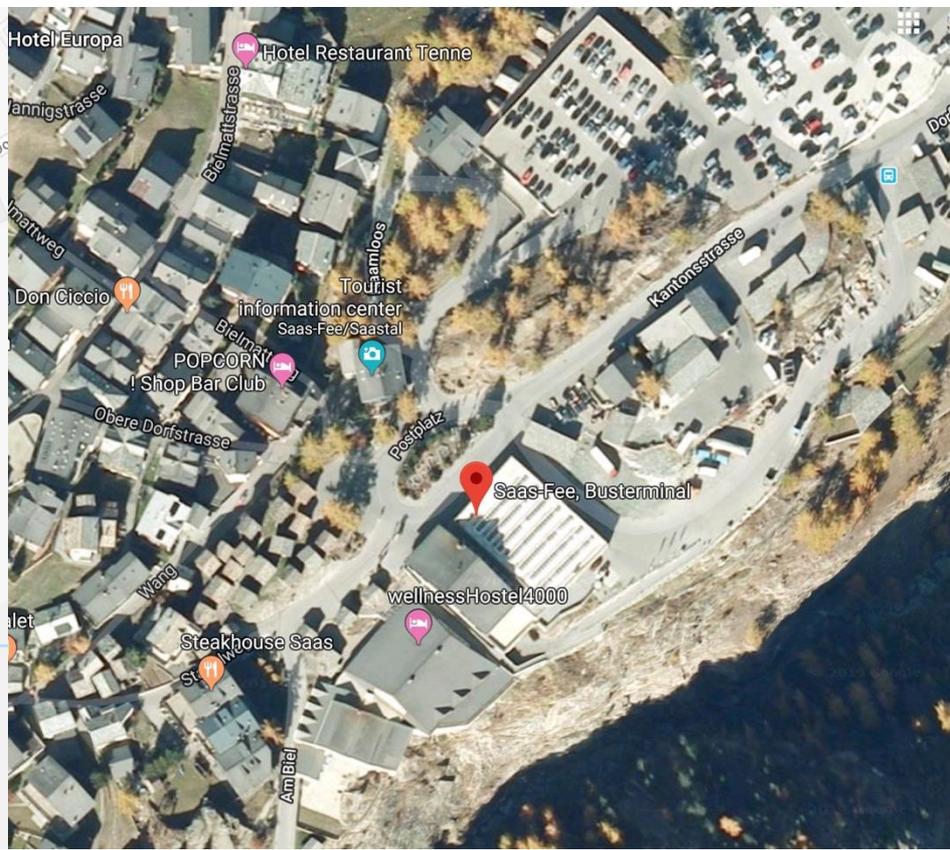

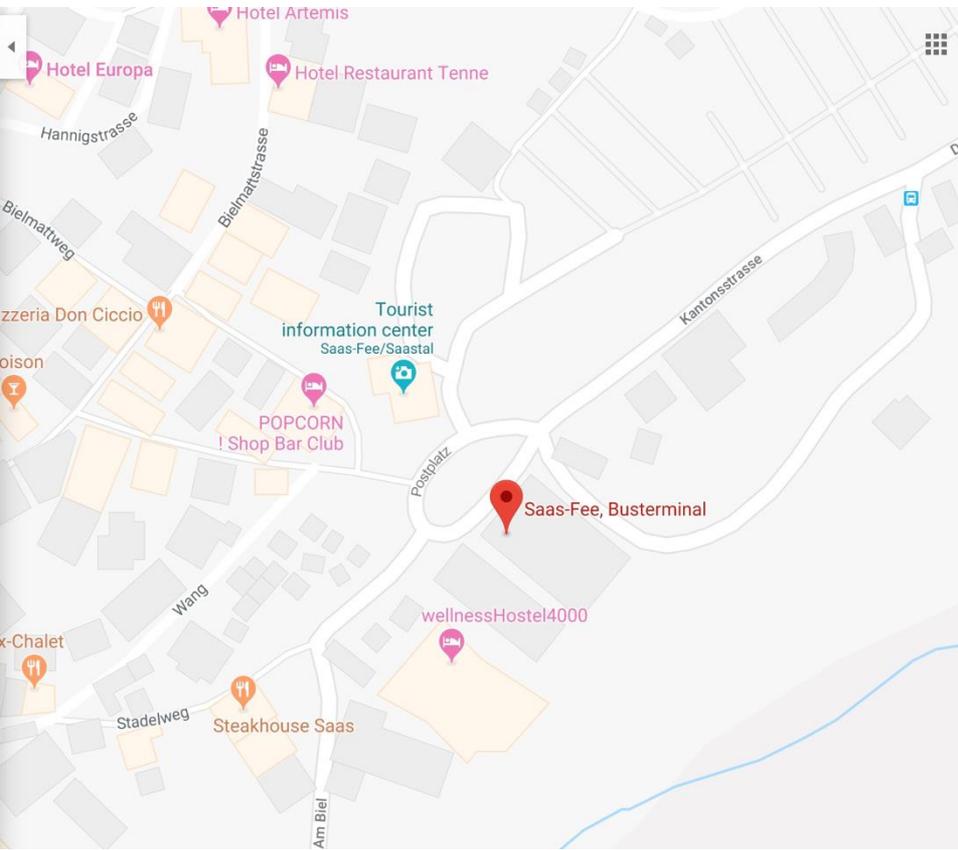

For those who have booked the return bus (and only for those, since the bus is full!)

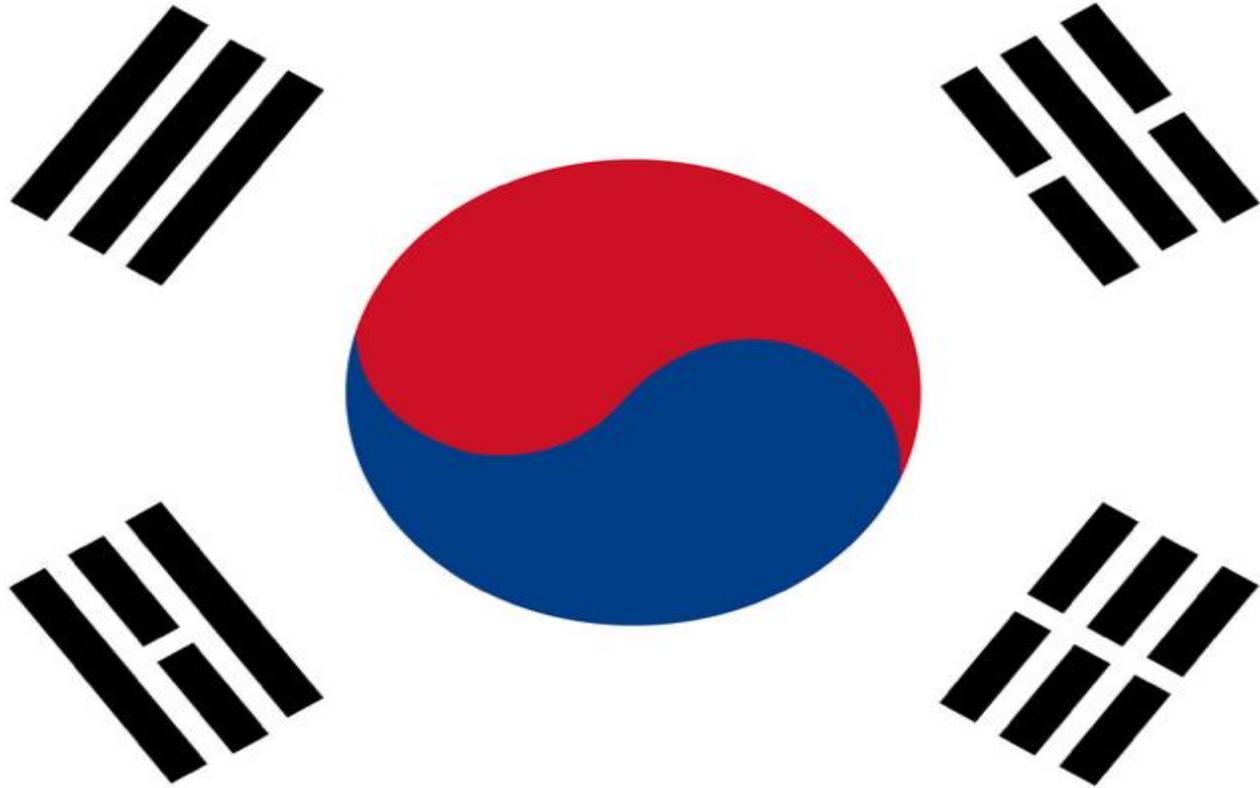

The departure will be @ 13:30 (sharp please!) at the Saas-Fee bus terminal (<https://goo.gl/maps/6mREqcDFAQM2>)

The Survey!

We will send to all participants a link for a survey
Please fill it in, it is important!

ACAT 2020 Summer Daejeon, Korea

**Thanks to all (190!) for
another great ACAT and
see you in Daejeon!**
