

Dear colleagues,

I am sending you a list of hotels in Anacapri which offer special prices for the participants of our workshop in Villa Orlandi. Rooms and prices are reserved up to the end of April, so I suggest you **book as soon as possible** even because the end of May is high season and it is not easy to find available rooms.

Remember that **special conditions** are valid only specifying that you will be participant at our 2nd International Workshop on Nuclear Emulsion for Neutrino Studies and WIMP at Villa Orlandi. Please book **DIRECTLY** with the hotel.
