

Dear Colleagues,

It is a pleasure to invite you to the **RD51 Collaboration Meeting** and the **topical workshop on “MPGD Stability”** which will take place from 18th till 22nd of June 2018, at the Technical University of Munich, Garching, Germany.

The meeting program will consist on Working Group sessions. The Workshop is dedicated to review:

- recent measurements with MPGD structures (GEM, MM, THGEM, u-RWELL, ...)
- physics of discharge phenomena
- simulations of discharge processes
- mitigation (or avoidance) strategies: resistive electrodes, optimisation of the HV systems and others.

For detailed information and registration please visit the indico page: <https://indico.cern.ch/e/RD51-at-TUM>

Registration for the meeting and abstract submission for the workshop are now open!

It is highly recommended to book accommodation early. The meeting start- and end-time are fixed.

In case of any questions, please contact the Local Organizing Committee under rd51-meeting@ph.tum.de

Looking forward to seeing you all in Munich!

Best Regards,
Silvia, Leszek, Laura and Piotr
