

# XXV Cracow EIPHANY Conference on Advances in Heavy Ion Physics

## Thursday, 10 January 2019

### Chirality, vorticity and spin polarization (09:00 - 10:15)

-Conveners: Radoslaw Ryblewski

time	[id] title	presenter
09:00	[93] Hyperon polarization in heavy ion collisions from few GeV to few TeV energies	KARPENKO, Iurii
09:25	[94] Hydrodynamics with polarization	TORRIERI, Giorgio
09:50	[95] Hydrodynamics with spin	FLORKOWSKI, Wojciech
