

# ROOT Update

Godparents Meeting 2018-04-11, Axel

# Team Members

- Yuka Takahashi
- Iliana Betsou
- Near future (this year)
  - 5 summer students
  - > 5 GSoC students
- 1 fellow

# ROOT Workshop

- September 10-13, Sarajevo
- 14 registrations - we can do better
  - please make sure your people are registered!
- Please actively scout for students (esp physics analysis) who we can invite!
- How many posters can you hang? (contact me!)

# CHEP

- Plenary
- 7 (?) oral presentations
- Expect about 10 people from ROOT to attend!
- Thank you!

# Release Schedule

- Production release 6.14
  - scheduled for end of May
  - release candidate begin May
- Want to move to monthly dev releases
