INNOVATION FUND DENMARK – PROJECT PROPOSAL CANVAS

IDEA: _____

PROBLEM
What is the main problem that you have identified?
For whom is this a problem?

SOLUTION
What is your solution to address the problem?
Why is this better than existing solutions?

IMPACT
Which value does your solution create,
for whom, and when?

COMPETENCES
Which types of competences are needed
needed (scientific disciplines, value chain
involvement, geographical representation, etc)?

NEXT STEPS
What are possible next steps to develop this
idea?

INNOVATION FUND DENMARK – PROJECT PROPOSAL CANVAS

IDEA: _____

PROBLEM
- What is the main problem that you have identified?
- For whom is this a problem?

SOLUTION
- What is your solution to address the problem?
- Why is this better than existing solutions?

COMPETENCES
- Which types of competences are needed needed (scientific disciplines, value chain involvement, geographical representation, etc)?

IMPACT
- Which value does your create, for whom, and when?

NEXT STEPS
