

Peer-reviewed IMC Articles

Particle Physics Masterclasses for the International Day of Women and Girls in Science

Julia Djuvsland for the IPPOG collaboration

Proceedings of the LHCP Conference, Shanghai, China, May 15-20, 2017

<https://arxiv.org/abs/1708.09309>

Bringing particle physics into classrooms

Ken Cecire, Ivan Melo, Boris Tomasik

Proceedings of the conference Physics Teaching in Engineering, Education, PTEE 2017, University of Zilina, Slovakia, May 18-19, 2017

<http://arxiv.org/abs/1801.08830>

International Masterclasses in Particle Physics – An excellent instrument to inspire high-school students

Uta Bilow on behalf of IPPOG

Proceedings of the EPS-HEP Conference, Venice, Italy, July 5-12, 2017

<https://pos.sissa.it/314/818/pdf>

Developments in International Masterclasses

Ken Cecire

Proceedings of the APS Division of Particles and Fields Meeting, Fermilab, July 31-August 4, 2017

<https://arxiv.org/abs/1708.09309>

Where to store them?

- Should the papers be added to the resources DB?
- Create a tab named like “IPPOG @ conferences”?
- IMC Website?
