

Session Program

16-21 Sept 2018

VSim workshop at EMIS 2018

VSim Setup Demonstrations

CERN

Monday 17 September

13:00

VSim Setup Demonstrations: Build a Penning Ionization Gauge in 30 mins with VSim Visual Setup

Session | **Location:** CERN, 26-1-022 | **Convener:** Jonathan Smith

13:45

13:05-13:45

Build an ion source in 30 mins

Speaker

Mr Nate Crossette

Tuesday 18 September

13:00

VSim Setup Demonstrations: Advanced surface models: introducing VSim Text Setup

Session | **Location:** CERN, 26-1-022 | **Convener:** Jonathan Smith

13:45

13:00-13:45

VSim Text Setup for Advanced Modelling Capabilites

Speaker

Jonathan Smith
