

XIII Meeting on B Physics : Synergy between LHC and SUPERKEKB in the Quest for New Physics

Tuesday 2 October 2018

Charged lepton flavour and flavour universality violation - Siège d'Aix-Marseille Université - Jardin du Pharo (09:00 - 14:50)

-Conveners: Guy Wormser

time	[id] title	presenter
09:00	[7] Theoretical review on semileptonic decays including or theory of Lepton Flavour (universality) Violation	BUTTAZZO, Dario
09:40	[10] B rare decays with final states including taus	COGAN, Julien
10:00	Coffee Break	
10:30	[8] Lepton-Flavour (Universality) Violating B decays in trees	MORRIS, Adam
11:00	[9] Lepton-Flavour (Universality) Violating B decays in loops	POLCI, Francesco
11:30	[11] Belle II perspectives on lepton flavour universality / lepton number violation	TRABELSI, Karim
12:00	Lunch	
14:10	[12] Hadronic and New Physics contributions to $b \rightarrow s$ transitions	MAHMOUDI, Nazila
