

Safety courses - Bring your laptop and headphones if possible

Wednesday 25 July 2018 17:30 (1 hour)

You need to follow some safety courses on sir.cern.ch:

“Computer Security” 4 min

“Emergency Evacuation” 15 min

“Radiation Protection - Awareness” 10 min

“Safety at CERN” 15 min

For research groups 3 & 4: You will get a dosimeter, because you will work with radioactive sources or need to enter supervised areas. Please follow in addition the course

“Radiation Protection - Supervised Area” 24 min

Please bring your laptop if you have one!

Session Classification: Afternoon programme
