

# Parallel 7B Summary

# Git Migration and Workflows

Ben Morgan, Gunter Folger

# Aims of Session

---

- Working session to:
  - *Get feedback and input from users on GitLab/workflow from Monday*
  - *Review work to date, clarifying any outstanding issues*
  - *Identify remaining TODOs*
- **Prioritize tasks for pre, during, post migration**

# Feedback

---

- Useful discussion!
  - *Further input via issue tracker on GitLab very welcome*
  - *<https://gitlab.cern.ch/geant4/geant4-git-migration/issues>*
- Need for documentation and how to get help clear
  - *Several additional topics highlighted to document for Shifters*
  - *Tasks post-migration to assist in reviewing of Merge Requests (approval, "Signed-off-by")*

# Identifying TODOs

Captured list of remaining tasks, with initial assignments and priorities (ongoing).

# Summary

---

- Clear tasks towards migration, **which is likely between now and December**
- **Date will be clearly communicated at least two weeks before**
- *Your feedback on the documentation, workflow and migration is still critical to help us deliver what you need!*
