

**Session Program**

**27-31 Aug 2018**

**23rd Geant4 Collaboration Meeting**  
***Parallel 4B - Geometry working session***

## Tuesday 28 August

16:00

### Parallel 4B - Geometry working session

**Session** | **Location:** Lund University | **Conveners:** Gabriele Cosmo, John Apostolakis

16:00–16:20

#### Updates on solids modelling in VecGeom

**Speaker**

Gabriele Cosmo

16:20–16:40

#### Latest developments in navigation with VecGeom

**Speaker**

Sandro Christian Wenzel

16:40–17:00

#### Investigations in the ATLAS geometry

**Speaker**

Evgueni Tcherniaev

17:00–17:20

#### Updated field thresholds for looping particles

**Speaker**

John Apostolakis

17:20–17:30

#### Review of open issues and discussion

17:30
