

An aerial photograph of a mountain valley. In the foreground, a small town with stone buildings and a church is visible. The middle ground shows rolling green hills and fields. In the background, large, rugged mountains with patches of snow rise against a blue sky with scattered white clouds. The overall scene is bright and scenic.

Higgs Toppings Workshop

- Probing Top-Higgs at the LHC

*F. Canelli, A. Juste, L. Shabalina,
M. Spannowsky, S. Pozzorini*
