

Contribution ID: 536

Type: **Presentation**

## **Electro-mecahnical properties of Nb<sub>3</sub>Sn conductors for appplication to high-field magnets**

*Thursday, June 27, 2019 2:00 PM (15 minutes)*

**Primary author:** BORDINI, Bernardo (CERN)

**Presenter:** BORDINI, Bernardo (CERN)

**Session Classification:** Magnets

**Track Classification:** Superconducting magnets & associated technologies
