

Introduction & News

Filip Moortgat, Heather Gray

Introduction

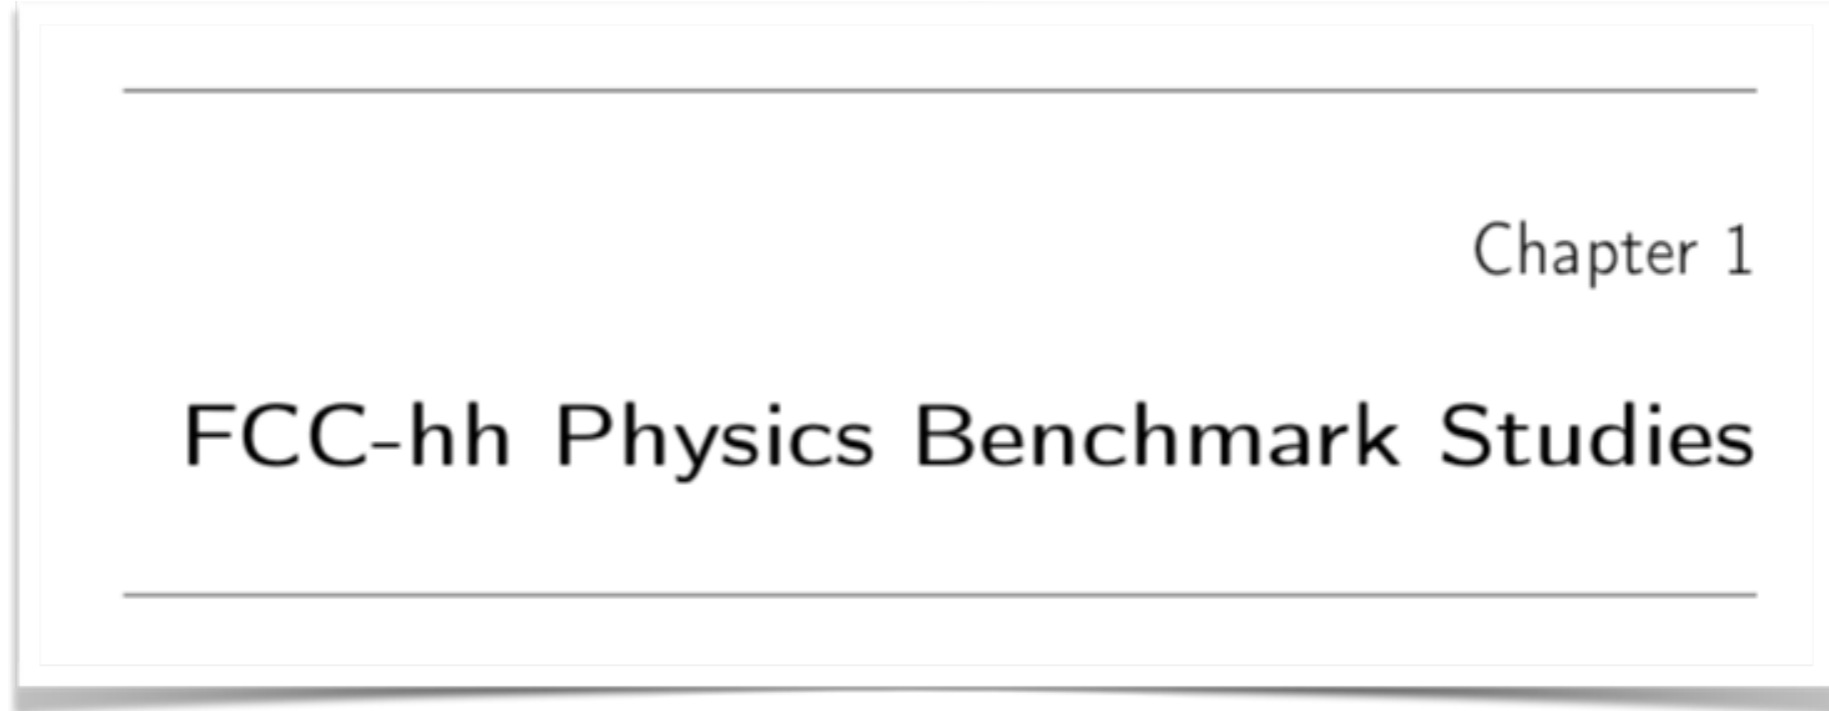

- Thanks to all for all the hard work and excellent presentations at FCC week in Amsterdam

- Our current focus is now on wrapping up the CDR studies and documenting them
 - Deadline for individual contributions has already passed
 - Please add any missing material as soon as possible!

CDR Status

- Our chapter has now reached 35 pages
 - overleaf
- We will close the chapter to new material at the end of this month (31 May) to finalise the editing

- Please get in contact with us as soon as possible if this will not be possible for you
