

## **Session Program**

**6-10 Aug 2018**

# **RADSAGA School: Jyväskylä Summer School**

## ***FYSV446 Challenges and Radiation Performance of Advanced and Emerging CMOS Technologies***

Other Institutes  
Department of Physics University of Jyväskylä Finland

## Tuesday 7 August

13:00

15:00

### **FYSV446 Challenges and Radiation Performance of Advanced and Emerging CMOS Technologies: Lecture**

**Session** | **Location:** Other Institutes, Department of Physics University of Jyväskylä Finland | **Convener:**  
Dr Arto Javanainen

## Wednesday 8 August

13:00

15:00

### **FYSV446 Challenges and Radiation Performance of Advanced and Emerging CMOS Technologies: Lecture**

**Session** | **Location:** Other Institutes, Department of Physics University of Jyväskylä Finland | **Convener:**  
Dr Arto Javanainen

## Thursday 9 August

13:00

15:00

### **FYSV446 Challenges and Radiation Performance of Advanced and Emerging CMOS Technologies: Lecture**

**Session** | **Location:** Other Institutes, Department of Physics University of Jyväskylä Finland | **Convener:** Dr Arto Javanainen
